Flavor West Manufacturing LLC. 598 Crane St. Lake Elsinore, Ca. 92530

Material Safety Data Sheet

Emergency Phone Number: 951-893-5120

CAS No.: N/A FEMA No.: N/A Molecular Formula: N/A Ingredients: Salted Caramel Water Soluble Flavoring. Ingredients: Natural and Artificial Flavoring, Propylene Glycol and Water. Section 3. Hazards Identification Inhalation: Repeated overexposure may be harmful. Skin Contact: No skin irritation is expected with normal use. However, skin irritation may occur with prolonged or excessive contact. Eye Contact: Direct exposure to large amounts may cause eye irritation, but no permanent eye injury is expected. Ingestion: No adverse effects expected with normal use. Section 4. First-Aid Measures Inhalation: Provide with fresh air Skin Contact: Remove all contaminated clothing and wash skin with plenty of water Eye Contact: Rinse thoroughly with plenty of water and seek medical advice Ingestion: Immediately drink plenty of water and seek medical advice Section 5. Fire Fighting Measures Extinguishing Media: CO2; Foam; Dry Chemical Special Procedures: Wear protective clothing to prevent contact with skin and eyes Section 6. Accidental Release Measures Person Related: Ensure supply of fresh air in enclosed rooms<	Section 1. Product Name:	Chemical Identification Natural and Artificial Salted Caramel Flavor
FEMA No.:N/AMolecular Formula:N/AIngredients:Salted Caramel Water Soluble Flavoring. Ingredients: Natural and Artificial Flavoring, Propylene Glycol and Water.Section 3.Hazards IdentificationInhalation:Repeated overexposure may be harmful.Skin Contact:No skin irritation is expected with normal use. However, skin irritation may occur with prolonged or excessive contact.Eye Contact:Direct exposure to large amounts may cause eye irritation, but no permanent eye injury is expected.Ingestion:No adverse effects expected with normal use.Section 4.First-Aid MeasuresInhalation:Provide with fresh airSkin Contact:Remove all contaminated clothing and wash skin with plenty of waterEye Contact:Rinse thoroughly with plenty of water and seek medical adviceIngestion:Immediately drink plenty of water and seek medical adviceSection 5.Fire Fighting MeasuresExtinguishing Media:CO2; Foam; Dry ChemicalSpecial Procedures:Wear protective clothing to prevent contact with skin and eyesSection 6.Accidental Release MeasuresPerson Related:Ensure supply of fresh air in enclosed rooms Absorb spills with vermiculite or other suitable material and remove to an approved disposal container. Dispose in accordance 	Section 2.	Composition/Information of Ingredients
Molecular Formula:N/AIngredients:Salted Caramel Water Soluble Flavoring. Ingredients: Natural and Artificial Flavoring, Propylene Glycol and Water.Section 3.Hazards IdentificationInhalation:Repeated overexposure may be harmful.Skin Contact:No skin irritation is expected with normal use. However, skin irritation may occur with prolonged or excessive contact.Eye Contact:Direct exposure to large amounts may cause eye irritation, but no permanent eye injury is expected.Ingestion:No adverse effects expected with normal use.Section 4.First-Aid MeasuresInhalation:Provide with fresh airSkin Contact:Remove all contaminated clothing and wash skin with plenty of waterEye Contact:Rinse thoroughly with plenty of water and seek medical adviceIngestion:Fire Fighting MeasuresExtinguishing Media:CO2; Foam; Dry ChemicalSpecial Procedures:Ensure supply of fresh air in enclosed roomsSpills:Absorb spills with verniculite or other suitable material and remove to an approved disposal container. Dispose in accordance with current laws and regulations.Section 7.Handling and Storage	CAS No.:	N/A

Skin Contact:Remove all contaminated clothing and wash skin with plenty of waterEye Contact:Rinse thoroughly with plenty of water and seek medical adviceIngestion:Immediately drink plenty of water and seek medical adviceSection 5.Fire Fighting MeasuresExtinguishing Media:CO2; Foam; Dry ChemicalSpecial Procedures:Wear protective clothing to prevent contact with skin and eyesSection 6.Accidental Release MeasuresPerson Related:Ensure supply of fresh air in enclosed roomsSpills:Absorb spills with vermiculite or other suitable material and remove to an approved disposal container. Dispose in accordance with current laws and regulations.Section 7.Handling and Storage	Section 4.	First-Aid Measures
waterEye Contact:Rinse thoroughly with plenty of water and seek medical adviceIngestion:Immediately drink plenty of water and seek medical adviceSection 5.Fire Fighting MeasuresExtinguishing Media:CO2; Foam; Dry ChemicalSpecial Procedures:Wear protective clothing to prevent contact with skin and eyesSection 6.Accidental Release MeasuresPerson Related:Ensure supply of fresh air in enclosed roomsSpills:Absorb spills with vermiculite or other suitable material and remove to an approved disposal container. Dispose in accordance with current laws and regulations.Section 7.Handling and Storage	Inhalation:	Provide with fresh air
Ingestion:Immediately drink plenty of water and seek medical adviceSection 5.Fire Fighting MeasuresExtinguishing Media:CO2; Foam; Dry ChemicalSpecial Procedures:Wear protective clothing to prevent contact with skin and eyesSection 6.Accidental Release MeasuresPerson Related:Ensure supply of fresh air in enclosed roomsSpills:Absorb spills with vermiculite or other suitable material and remove to an approved disposal container. Dispose in accordance with current laws and regulations.Section 7.Handling and Storage	Skin Contact:	• • • •
Ingestion:Immediately drink plenty of water and seek medical adviceSection 5.Fire Fighting MeasuresExtinguishing Media:CO2; Foam; Dry ChemicalSpecial Procedures:Wear protective clothing to prevent contact with skin and eyesSection 6.Accidental Release MeasuresPerson Related:Ensure supply of fresh air in enclosed roomsSpills:Absorb spills with vermiculite or other suitable material and remove to an approved disposal container. Dispose in accordance with current laws and regulations.Section 7.Handling and Storage	Eye Contact:	Rinse thoroughly with plenty of water and seek medical advice
 Extinguishing Media: CO₂; Foam; Dry Chemical Special Procedures: Wear protective clothing to prevent contact with skin and eyes Section 6. Person Related: Ensure supply of fresh air in enclosed rooms Absorb spills with vermiculite or other suitable material and remove to an approved disposal container. Dispose in accordance with current laws and regulations. Section 7. Handling and Storage 	Ingestion:	
 Extinguishing Media: CO₂; Foam; Dry Chemical Special Procedures: Wear protective clothing to prevent contact with skin and eyes Section 6. Person Related: Ensure supply of fresh air in enclosed rooms Absorb spills with vermiculite or other suitable material and remove to an approved disposal container. Dispose in accordance with current laws and regulations. Section 7. Handling and Storage 	Section 5.	Fire Fighting Measures
Special Procedures:Wear protective clothing to prevent contact with skin and eyesSection 6.Accidental Release MeasuresPerson Related:Ensure supply of fresh air in enclosed roomsSpills:Absorb spills with vermiculite or other suitable material and remove to an approved disposal container. Dispose in accordance with current laws and regulations.Section 7.Handling and Storage	Extinguishing Media:	
Person Related:Ensure supply of fresh air in enclosed roomsSpills:Absorb spills with vermiculite or other suitable material and remove to an approved disposal container. Dispose in accordance with current laws and regulations.Section 7.Handling and Storage	Special Procedures:	Wear protective clothing to prevent contact with skin and eyes
Spills:Absorb spills with vermiculite or other suitable material and remove to an approved disposal container. Dispose in accordance with current laws and regulations.Section 7.Handling and Storage	Section 6.	Accidental Release Measures
Spills:Absorb spills with vermiculite or other suitable material and remove to an approved disposal container. Dispose in accordance with current laws and regulations.Section 7.Handling and Storage	Person Related:	Ensure supply of fresh air in enclosed rooms
 remove to an approved disposal container. Dispose in accordance with current laws and regulations. Section 7. Handling and Storage 	Spills:	
Section 7. Handling and Storage	-	remove to an approved disposal container. Dispose in accordance
8 8		
Handling: No special handling required	Section 7.	Handling and Storage
	Handling:	No special handling required

Storage:	Tightly closed in a well ventilated area
Section 8.	Exposure Controls/Personal Protection
Exposure Limits:	Avoid contact with eyes, skin, clothing
Respiratory:	No special requirements
Eye Protection:	Wear protective goggles
Hand Protection:	Wear suitable gloves
Industrial Hygiene:	Change contaminated clothing; wash hands after working with substance

Section 9.	Physical and Chemical Properties		
Form:	Liquid		
Color:	Level: Dark Brown.		
Odor:	Caramel		
Boiling Point:	Not available		
Melting Point:	N/A		
Flashpoint:	Not available		
Lower explosion:	Not available		
Upper explosion:	Not available		
Vapor Pressure:	Not available		
Specific Gravity @ 20 [°] C: 1.04			
Solubility			
Water:	Soluble		
Organic Solvents:	Soluble		
<u>Saattaa</u> 10	Charle When and Data Alaska		
Section 10.	Stability and Reactivity		
Conditions to Avoid:			
Hazardous polymerization: Hazardous decomposition products:			
1	No information available		
Futuret information.	No information available		
Section 11.	Toxicological Information		
Oral LD ₅₀ :	No information available		
Dermal LD ₅₀ :	No information available		
Inhalation LD_{50} :	No information available		
Further Information:	May be harmful if inhaled, swallowed or absorbed through the skin		
Section 12.	Ecological Information		
Biodegradability:	No information available		
e			
Aquatic Toxicity:	No information available		

Section 13. Disposal Considerations

The Small quantities generated by consumer use may be disposed of in a sanitary sewer with large quantities of water. Empty containers generated by consumer use may be disposed of as conventional waste. Any disposal practice must be in compliance with local, state, and federal laws and regulations (contact local or state government agency for specific rules). Do not dump into sewers, any body of water, or onto the ground.

Section 14.	Transport Information
UN#/Name:	N/A
UN Pkg Group:	N/A
Required Labels:	N/A

Section 15. Regulatory Information

Federal and State Regulations: TSCA 8(b) inventory **Other Regulations:** OSHA: Hazardous by definition of Hazard Communication Standard (29 CFR 1910.1200).

Other Classifications:

WHMIS (Canada): Not controlled under WHMIS (Canada).

DSCL (EEC):

R36/38- Irritating to eyes and skin. S2- Keep out of the reach of children. S46- If swallowed, seek medical advice immediately and show this container or label.

HMIS (U.S.A.):

Health Hazard: 1 Fire Hazard: 1 Reactivity: 0 Personal Protection: h National Fire Protection Association (U.S.A.): Health: 1 Flammability: 1 Reactivity: 0 Specific hazard:

Protective Equipment:

Gloves. Lab coat. Vapor respirator. Be sure to use an approved/certified respirator or equivalent. Splash goggles.

Section 16. Other Information

The information contained herein is based on the present state of our knowledge. However, the data is provided without warranty, expressed or implied, regarding it's correctness or accuracy. It is the user's responsibility both to determine safe conditions for the use of this product and to assume liability for loss, injury, damage or expense relating from the improper use of this product.
